Multi-Manikin Viewer
Facilitator

Monitor Up to 8 Manikins

Easy and In Real Time

Easy to understand award winning feedback system for high quality performance training. Independent research shown it leads to improved Quality of CPR. Now with supervision module to easily manage and supervise training.

Students See Feedback

- Students still has access to real time feedback
- Award Winning Colored Bars
- High Quality Training
- Easy to Learn and Perform

Trainer Sees All 8 Manikins

- See the real time feedback as students perform
- Follows all training activities
- See Student Name
- See Results, Score and Breakdown

The SmartMan Multi-Manikin Viewer gives you the best of both worlds. The students practice as normal and still has access to the same great real time feedback system.

The supervisor can monitor quality at anytime. Student names appear on-screen, along with the score, results and breakdown. All of the score and results are saved for review at a later time. Each score is time and date stamped for reference.
